Why Columbia Gymnastics?

Columbia Gymnastics was founded in 1991 by a parent's group that wanted to provide an environment of safe gymnastics fun for all kids. Now under the direction of owner and director, Kristin Anderson, Columbia Gymnastics continues to provide a safe and caring atmosphere where gymnastics is taught with an emphasis on positive feedback.

*Instructors at Columbia Gymnastics are first aid and CPR Certified and have completed the USA Gymnastics Safety Education Course. They do their very best to make every child's gymnastics experience a great one. Special attention is the norm at our gym.

*Our facility is complete with air conditioning, loose foam training pit, all regulation gymnastics equipment and 30' tumble trampoline!

*Gymnastics consists of many physical education and fitness aspects which every child could benefit from later in life. Why not let your child enjoy the fun of gymnastics this summer?
