Why Columbia Gymnastics?

Columbia Gymnastics was founded in 1991 by a parent's group that wanted to provide an environment of safe gymnastics fun for all kids. Under the direction of owner, Kristin Anderson, Columbia Gymnastics continues to provide a safe and caring atmosphere where gymnastics is taught with an emphasis on positive feedback.

*Instructors at Columbia Gymnastics are first aid and CPR Certified, background checked through the State of Maryland and FBI, and have completed the USA Gymnastics Safety Education Course. They do their very best to make every child's gymnastics experience a great one. Special attention is the norm at our gym.

*Our facility is complete with air conditioning, loose foam training pit, all regulation gymnastics equipment and 30' tumble trampoline!

*Gymnastics consists of many physical education and fitness aspects which every child could benefit from later in life. Why not let your child enjoy the fun of gymnastics this summer?
